

## Terms of Use

The pages and content available electronically through the domain [www.cnflaw.com](http://www.cnflaw.com) provide institutional information of the law firm Comparato, Nunes, Federici & Pimentel Advogados ("CNF"), registered at the Brazilian Bar Association / São Paulo Branch (OAB / SP) under No. 9759.

Articles, legal alerts, news and other texts available on the website are meant for informative purposes only and do not constitute legal advice or recommendation. To receive legal advice, consult an attorney.

The materials on this website are protected by intellectual property laws and shall not be reproduced or used (in any form) without the express authorization of CNF.

If you are interested in publishing, reproducing or in any way using the materials available on this website, please submit a request through [contato@cnflaw.com](mailto:contato@cnflaw.com). The authorization shall only be deemed granted if expressly issued in writing.

CNF authorizes the visitors of this website to print and / or store any page of this website on their personal computer, as long as it is exclusively for personnel use.

CNF is not responsible nor guarantees the accuracy or reliability of information published on external links available on this website.

This website and the content available in it may be modified at any time solely by discretion of CNF, without prior notice. The same applies to these Terms of Use and the Privacy Policy (collectively "Terms").

The Terms shall be governed by and construed in accordance with Brazilian law. The jurisdiction of the city of São Paulo, Brazil, shall be competent to resolve any dispute arising out of the Terms, subject to the right of CNF to act legally in any other jurisdiction in Brazil or in other countries, to defend its rights.

If you have any questions regarding these Terms of Use, please e-mail [contato@cnflaw.com](mailto:contato@cnflaw.com).

## Privacy Policy

CNF does not sell or make available to third parties for commercial purposes the database constituted by signing in to receive informative mailing by users.

The registration data is stored in a database to which access is restricted to certain professionals and technicians hired by CNF, as long as they need access while rendering their services.

The registration data is used by CNF to organize and process the transmission of materials, or for statistical purposes.

Through specific need, authorized professionals of CNF may contact the user through the provided registration data.

At any time you can delete your email address from the informational mailing database by sending a request to [contato@cnflaw.com](mailto:contato@cnflaw.com). This request does not remove from our database other data collected in the registration process, such as name, company and industry, except if there is an express request in this regard.

Cookies (data files stored on your computer through Internet browsing software) may be used by CNF in order to track the usage pattern of users, improve the site's user experience and generate statistical reports.

At any time the user can, through your browsing software, delete cookies from your computer, disable the recording of cookies or request a notification before each cookie is saved, so you can refuse it. If necessary, the user should consult the help page of your browser to perform such operations.

CNF may send informational messages related to their professionals activities. We do not send advertisements or commercial messages.

If you have any questions regarding this Privacy Policy, please write to [contato@cnflaw.com](mailto:contato@cnflaw.com).
